

## RWGA Captains Report 2021

2021 was going to be the start of a successful year after the many disruptions of 2020.

The match committee took on board the many recommendations that were raised at the workshop in February and undertook the task of implementing them.

The Pennant was played as per usual, many thanks to Trish and Marg for arranging this as it needed to be organized prior to my appointment as Captain, with a few interruptions due to inclement weather and the number of teams involved Narrandera eventually became our Pennant Champions for 2021, congratulations to those girls. This season highlighted the extent of the size of the RWGA and the amount of travel required by some clubs to participate, it is proposed to attempt to alleviate some of these problems for the 2022 season.

RWGA v SWLGA was held in June at Commercial Albury with RWGA taking out the silver trophy and SWLGA the victors in the bronze, congratulations and thankyou to all ladies that represented the RWGA in this event, next year we are on the road and I hope many ladies raise their hands to participate for the RWGA.

We were fortunate to be able to hold both our Sandgreens and Foursomes in its new 27 hole format. Tournaments this year

Congratulations to the following

Sandgreens, Bernie McLean

Foursomes Div 1 Scr Vicki Brunner, Prue Lloyd Div 1 H'cap Bernie Mclean, Louise Holden

Div 2 Scr and H'cap Marg Rothwell, Glenda Campbell (got it right this time.)

After many zoom meetings and deliberations it was decided to reformat the Open as per the recommendations from our members, unfortunately we were unable to see if these changes would be favorably received due to yet another Covid interruption, fingers crossed for 2022 at Corowa.

Many thanks to the members of the Match Committee for your hard work to try and bring an enjoyable year of golf to all in the RWGA.

Hoping for a more successful year in 2022.

In closing I finish with a quote from Georg C Lichtenberg

I cannot say whether things will get better if we change: but what I can say is they must change if they are to get better.

Sharon Pyle

RWGA Captain 2021
